REQUEST FOR POSTPONEMENT OF APRIL 2012 EXAMINATION

If you are requesting postponement of the April 2012 examination, please complete the bottom portion and submit to the Board with all supporting documentation. This form is to be used by individuals who are unable to attend an examination under any circumstances.

Postponement requests will not be considered without supporting documentation attached. To be considered, postponement requests must be postmarked no later than ten (10) business days after the examination(s) you are requesting to postpone.

A response will be mailed to you as soon as possible. However, please be prepared that a determination may not be made until after the examination due to high volume and processing time of applications for the current examination cycle.

Postponement requests are processed on a case by case basis and are approved at the discretion of the Board's Executive Officer in accordance with Board Rule 446. If your request is **not** approved, your fee will be forfeit. If your request is approved, your fee will be refunded in full.
